Learning through faith, laughter and love.

21st August 2020

Dear Parents

We will be preparing for your child's First Holy Communion during the week they return to school. First Confessions will take place in school on Thursday 27th August. No parents will attend this event.

We will have a practice in the chapel on Wednesday 26th August. The First Holy Communion will take place on Saturday 29th August at 11am sharp. (children to be their seats by 10.45am)

Due to social distancing only parents and siblings may attend the event. We will have assigned seating for each family. Face masks are encouraged for parents and children over 13 years.

John Merry (photographer) will be outside the chapel before the event if you would like a photo of your child.

Unfortunately this year we cannot have a celebration in the hall. It is important that parents and children do not congregate outside the chapel after the event.

Kind regards

Mrs C. Kerr
Class teacher
